(*c*) Includes Commission on Thathameda Tax collections in Burma.

(*d*) Represents amount calculated in accordance with the new arrangement introduced from 1914-15 regarding the distribution of the cost of District Administration between Land Revenue and Law and Justice. Under the old arrangement one-fifth of the cost of Land Revenue officers who do magisterial as well as revenue work was transferred to "Law and Justice" from "Land Revenue" and the same share of the cost of the Stationary and Agency Subordinate Magistrates was similarly transferred from "Law and Justice" to "Land Revenue." This practice has been abandoned and a lump transfer of 30 per cent. of the total charges appearing under the minor head "Charges of District Administration" is now made to the head "Law and Justice." Further, the charges on account of revenue talayaris formerly shown under the minor head "3—Land Revenue—Allowances to district and village officers" are now transferred to the head "20—Police." The figures under the previous distribution are shown below:—

(*a*) Exchange represents the difference between the equivalent of the sterling amount converted at 16*d.* the rupee and at the average rate or at contract and fixed rates. The usual practice in the past has been to calculate the gain or loss by exchange with reference to the amount of remittance assumed to be made from India to England to meet the net expenditure of the Government of India in England. The gain or loss so calculated was adjusted partly under Revenue and partly under Capital accounts by *per contra* debit or credit, as the case might be, to the head "Exchange on Remittance Accounts" under which all transactions had been recorded during the year. Since 1914-15 this procedure has been abandoned and the actual gain or loss by exchange on the actual remittances between India and England is now shown as a credit or debit under "Exchange" without regard to the amount of net expenditure in England for which remittances from India may be necessary. The profit or loss arising on the remittances of funds for the Gold Standard Reserve is, however, credited or debited to that Reserve. The head "Exchange on Remittance Account," was consequently abolished.

(*b*) The average rate of exchange on council bills drawn during the year was thus 1*s.* 4·1480177*d.* the rupee.
